

Short bio – Prof. Francesco Baino

Francesco Baino is an Associate Professor of Materials Science and Technology in the Department of Applied Science and Technology, Politecnico di Torino, Italy. He received his M.S. in Biomedical Engineering (summa cum laude) in 2006 and his Ph.D. in Materials Science and Technology in 2010, both from Politecnico di Torino. His current research interests include biomaterials for tissue engineering with special focus on bioceramics and bioactive glasses, additive manufacturing technologies as well as processing and testing of advanced ceramics. He is member of the American Ceramic Society since 2018. Prof. Baino is Associate Editor of the International Journal of Applied Ceramic Technology (Wiley) and Frontiers in Bioengineering and Biotechnology. He has published more than 260 peer-reviewed journal articles and 40 book chapters with an H-index of 64, and is author of 3 patents. He is listed among the 2% top-cited scientists in the world.
